

Course Overview

The increasing global trade and the role of multinational enterprises in the global economy have boosted the relevance of transfer pricing topics. The number of countries having transfer pricing legislation in place has increased from a mere four in 1994 to more than 130 in 2020. Therefore, transfer pricing is one of the most relevant and challenging topics in the international tax environment.

The Advanced Transfer Pricing Course (Specific Topics) offered by the WU Transfer Pricing Center at the Institute for Austrian and International Tax Law meets the increasing demands for education in this field by offering high quality training. With renowned experts from all over the world as lecturers, training at the highest international level with a great degree of practical relevance is guaranteed.

The WU Transfer Pricing Center (www.wu.ac.at/taxlaw/institute/wutpc) researches, analyzes, discusses and teaches transfer pricing topics. Through its activities, it positions itself as a global institution providing the missing nexus between theory and practice in approaching transfer pricing topics. It combines both the academic and practical perspectives and its approach is highly international and interdisciplinary.

The WU Transfer Pricing Center is an integral part of the Institute for Austrian and International Tax Law at WU Vienna University of Economics and Business (www.wu.ac.at/en/taxlaw/), one of the largest institutions of its kind worldwide. As well as being active in research and teaching activities at WU Vienna, the Institute with approx. 90 staff members and many visiting professors and guest researchers are involved in national and international projects. Being the hub for the international tax community, the Institute offers a unique academic platform for significant, innovative and inspiring tax-related research and training.

General Information

The course lasts five full-days and will be held from **September 23-27, 2024** on the campus of WU Vienna University of Economics and Business. The course is entirely held in **English**. Recommended Reading

FUNDAMENTALS OF TRANSFER PRICING: GENERAL TOPICS AND SPECIFIC TRANSACTIONS

Raffaele Petruzzi, Giammarco Cottani, Michael Lang (eds.) Wolters Kluwer 2021 ISBN: 9789403517216

This volume focuses on the basic principles and specialized topics in transfer pricing. Stakeholders from government, multinational companies, international organisations, advisory groups and academia offer deeply informed perspectives, both general and specific, on the practical application of transfer pricing rules, taking into consideration all the most recent developments.

With approximately 160 practical examples and 90 relevant international judicial precedents, the presentation proceeds from general to more specialised topics.

Topics covered:

- what is transfer pricing and the purpose of transfer pricing rules;
- the arm's length principle and its application;
- the consequences of a transaction not being in accordance with the arm's length principle;
- the transfer pricing methods;
- the mechanisms to avoid and resolve disputes;
- the transfer pricing documentation;
- the attribution of profits to permanent establishments;
- the transfer pricing aspects of specific transactions, such as services, financing, intangibles and business restructurings.

FUNDAMENTALS OF TRANSFER PRICING: INDUSTRIES, REGIONS, NEW TECHNOLOGIES, AND OTHER TOPICS

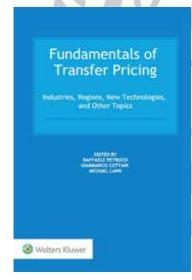

Raffaele Petruzzi, Giammarco Cottani, Michael Lang (eds.) Wolters Kluwer 2022 ISBN: 9789403535159

This is part two of a two-volume set on the nature of transfer pricing that fully elucidates how the growing body of applicable rules works in practice. This volume enlarges the scope of the first volume, particularly concerning industry specifics, regional considerations, the use of new technologies, and the intersection between transfer pricing rules and other disciplines.

Topics covered:

- extended analysis of particular business sectors, including automotive, ban king, consumer goods, insurance, IT, oil and gas, and pharmaceutics;
- specific jurisdictional coverage of the United States, the European Union, Brazil, China, and India;
- detailed presentation of the use of new technologies by both taxpayers and tax authorities;
- further in-depth analysis of transfer pricing's interaction with various fields of law.

Both editions are available in the Wolters Kluwer online store: https://law-store.wolterskluwer.com/s/ A student discount of 20% on the publishing price is available for participants of this course. Please contact us on transferpricingcenter@wu.ac.at for more information.

Vienna Certificate in Transfer Pricing

This course is part of the **Vienna Certificate in Transfer Pricing.** The **certificate program** offers a unique opportunity to combine two excellent courses with a high-class case study as well as a technical paper supervised by the experts of the WU Transfer Pricing Center. Previously completed courses can also be transferred to the certificate program. The certificate should be completed within one year from the completion of the last course.

The certificate is **targeted** at professionals around the world who want to build or broaden their knowledge of transfer pricing. Participants typically are tax and transfer pricing advisors (accountants, economists, and lawyers), in-house tax and finance employees of international companies, and government officials.

The candidate will receive the "Vienna Certificate in Transfer Pricing" upon successful completion of the following four parts:

1. Advanced Transfer Pricing Course (General Topics)¹

This five-day course consists of an introduction to transfer pricing followed by lectures and workshops on the attribution of profits to permanent establishments, transfer pricing methods, administrative approaches to minimizing and resolving transfer pricing disputes, as well as transfer pricing risk management an compliance, among others.

2. Advanced Transfer Pricing Course (Specific Topics)

This five-day course deals with detailed lectures and intensive workshops on specific transfer pricing topics, such as transfer pricing and services, financing, intangibles, supply chain management and business restructurings, as well as indirect taxes and customs.

Lecturers at both courses are internationally renowned transfer pricing experts from academia, international organizations, the business community, government officials, and advisory firms.

3. Case Study

A case study should be solved by the candidate. This case study will be provided and supervised by the experts of the WU Transfer Pricing Center.

4. Technical Paper

A paper, in the form of a technical article (approx. 8,000 words), should be prepared by the candidate in English. The topic of this technical paper will be agreed by the candidate together with the experts of the WU Transfer Pricing Center, who will supervise said article.

The **fee** to access the certificate program amounts to **EUR 8,750**². Previously completed courses can be deducted from this amount. The fee might be reduced as a result of an early bird discount related to the courses. For further information, please contact us on transferpricingcenter@wu.ac.at.
