

## WU Visiting Fellow

**Objective:** With the WU Visiting Fellowship program, the Rector's Council of WU aims to promote the mobility of Assistant Professors by financing a stay at an international research institution (during the summer months if possible). The program is intended to give Visiting Fellows the opportunity to continue or complete ongoing research projects, subsequently resulting in a top-journal-publication. As part of this program, Fellows are also encouraged to motivate colleagues from their host university to come to WU for a research fellowship as well.

**Maximum funding per application:** € 6,000.00

**Funding categories:** travel and accommodation costs only

### Funding Requirements:
