

13th International Morphology Meeting
Workshop on the Acquisition and Processing of Morphology
February 3 & 4, 2008

Organizers: Wolfgang U. Dressler (wolfgang.dressler@univie.ac.at)
Gary Libben (gary.libben@ualberta.ca)

Location: Centre of Translation Studies (Zentrum für Translationswissenschaft)
University of Vienna, Gymnasiumstrasse 50, A- 1190 Vienna, Austria
Phone number during the meeting: +43-650-9952947 (Katharina Simma)

PROGRAM

Sunday, February 3

- 11:20 – 11:30 INTRODUCTION
- 11:30 – 12:00 Katharina Korecky-Kröll, Nicole Stempf, Julia Wiesinger, Eva Reinisch, Johannes Bertl, Gary Libben, & Wolfgang U. Dressler
Potential vs. illegal German noun plurals in online tests and language acquisition.
- 12:00 – 12:30 Stavroula Stavrakaki & Harald Clahsen
The development of the perfective past tense in Greek child language.
- 12:30 – 13:00 Dominiek Sandra
How spelling errors inform us on the acquisition of inflectional patterns.
- 13:00 – 15:30 LUNCH BREAK AND PLENARY SESSION OF THE MORPHOLOGY MEETING
- 15:30 – 16:00 Joseph Stemberger
Contextual influences in the production of past-tense forms in English.
- 16:00 – 16:30 Eva Smolka
Is a "default mechanism" necessary? Not for regular and irregular German participles.
- 16:30 – 17:30 COFFEE BREAK AND POSTER SESSION OF THE MORPHOLOGY MEETING
- 17:30 – 18:00 Eva Kehayia, Angeliki Ralli, Gonia Jarema , Femke Wehrens, Chrysovalantis Fydanis, Nancy Azevedo, & Roelien Bastiaanse
Constituent activation of compounds in Modern Greek and English: Do category, position and complexity matter?
- 18:00 – 18:30 Rozalia Ivády & Csaba Pléh
Hungarian noun paradigm priming underpinning morphological families.
- 18:30 – 19:00 István Fekete & Csaba Pléh
A psycholinguistic analysis of the instrumental-comitative syncretism in Hungarian.

Workshop on the Acquisition and Processing of Morphology

Monday, February 4

- 10:00 – 10:30 Denisa Bordag & Thomas Pechmann
Processing of grammatical features in Czech: the role of externality, internality, and (in)dispensability in speech production.
- 10:30 – 11:00 Linnaea Stockall, Roberto G. de Almeida, Michael W. von Grünau, Amanda Guay, Apostolia Petropoulou, & Darya Sodo
Early compound constituent processing by the two hemispheres: behavioral and MEG evidence.
- 11:00 – 11:30 COFFEE BREAK
- 11:30 – 12:00 Gary Libben & Susanne Borgwaldt
Dealing with unwanted morphological activation.
- 12:00 – 12:30 Madeleine Voga-Redlinger
Morphology in the Bilingual Lexicon: Psycholinguistic evidence from Greek-French bilinguals.
- 12:30 – 13:00 Dorit Ravid & Rachel Schiff
Conflicting cues in the acquisition of plural adjective agreement in Hebrew.
- 13:00 – 14:30 LUNCH BREAK
- 14:30 – 15:00 Laila Kjærbæk Hansen, Hans Basbøll & Claus Lambertsen
When and how do Danish children begin to use noun plurals?
- 15:00 – 15:30 Katya Pertsova
Learning with defaults.
- 15:30 – 16:00 Milena Kuehnast
Imperfectivisation strategies of Bulgarian preschool children.
