Partneruniversity of the Month

WU students have the opportunity to spend a semester abroad in over 220 partner universities. Therefore, the decision where to go might be difficult sometimes. Under the heading '[Partner University of the Month](#)' the WU presents its partner universities around the world. All information, photos and brochures published on this site are provided by the respective partner university. We would like to encourage WU students to find out more about some of our partner universities they might not be familiar with and to discover hidden treasures.

Go Abroad! Spend a semester abroad during the Summer Semester 2013.

Interested in Central and Eastern Europe and in working in CEE?

The JOSZEF Program is aimed at WU students who want to expand their knowledge of Central and Eastern Europe (CEE) as a market. The program aims at providing participants with profound CEE expertise. This includes management skills as well as intercultural skills or background knowledge of the more recent history of Central and Eastern Europe. JOSZEF also works closely with firms active in Central and Eastern Europe. The program has an excellent reputation among Vienna's regional players.

Application Deadline: The application deadline for the summer semester has passed already. **The next application deadline will be in September 2012.**

Go Global! Study Abroad Fair

Students who would like to spend a semester abroad will be spoiled for choice: over 220 partner universities on 6 continents offer exchange programs. On October the GO GLOBAL Study Abroad Fair 2011 took place in WU's main entrance hall.

The next **GO GLOBAL Study Abroad Fair** will take place in **October 2012**.
