For detailed information on dates, deadlines and application process please check the new ISU WU Website at www.wu.ac.at/io/en/incoming/isuwu.

In summer 2012, the International Summer University^{WU} (ISU WU) will take place for the 23rd time. Every year the team of the ISU WU designs a **new and interesting program** which meets the high standards of WU (Vienna University of Economics and Business).

The ISU WU takes place in July and August for three week sessions in Vienna. The program is divided into Bachelor and Master levels.

A large variety of economic and business related courses in English are taught by experienced, international lecturers. The **main objective** of the program is not to provide basic knowledge, but to **deepen specific knowledge in business**. Visiting local companies and solving practical case studies in intercultural groups complements the strong theoretical basis.

Around 200 students from over 30 countries take place in the ISU WU every year. An exciting social and cultural program effectively rounds out the program.

We are looking forward to welcoming you to our university and the beautiful city of Vienna!
