Library

Books can be borrowed during the Institute's opening hours (with the exception of books on the reserve shelf). To do so, you will need to request the books you need by submitting the shelf marks (Signatur-Nummer). The shelf marks can be found in the online library catalog. 4 books may be taken out at a time, for a period of one week.

You will need to present your WU library card to take out books from the Institute library.
