

## News from WU (Vienna University of Economics and Business)

22-05-2012

### **Information on Tuition Fees at WU**

WU has reintroduced tuition fees as of the 2012/13 winter semester. The fee of € 363.36 per semester is the same for all students to whom the tuition fees apply. The regulations now in place are the same as those valid until the 2011/12 winter semester, meaning that not all students are required to pay tuition fees.

### **Fire at WU construction site**

A fire broke out on the construction site of the new WU campus on Thursday, May 10, at approximately 4:50pm. The cause of the blaze is assumed to be flame-scarfing work that ignited insulation materials on the roof of the building. No delays in the construction schedule are expected to result from the fire.

### **WU's Senate Votes in favor of the Reintroduction of Tuition Fees**

WU's Senate has approved the Rector's Council's initiative to reintroduce tuition fees in certain cases. The fees apply only to so-called long-term students, who have been enrolled for longer than the regular duration of their program plus two extra semesters, as well as to third-country nationals.
