

Environmentalism from the East? Historical perspectives on sustainability challenges in CEE

The CEE Cercle^{WU} cordially invites you to the online talk of Viktor Pal

December 3rd, 2021, 17:00 - 18:15

Viktor Pál, PhD is a research fellow at the University of Ostrava, coordinator for the Helsinki Environmental Humanities Hub at the University of Helsinki and Docent at the University of Tampere. In his speech he will address the socialist states approach towards environmental protection in the 1950-70 period, with a special focus on Hungary.
