

Logistic Information

The conference on “Corporate Governance in Network Industries” will take place at the New Campus WU Vienna, in the Learning & Library Center:

WU (Vienna University of Economics and Business)
Welthandelsplatz 1
1020 Vienna

By public transportation

Campus WU is located between the two U2 subway stations Krieau and Messe-Prater. The Library & Learning Center, where the CGNI conference is taking place, is roughly the same distance from each of the two subway stations.

Coming from Vienna International Airport (Schwechat) you can go by city train (S7 Direction Floridsdorf) to station Praterstern and switch to the U2 in direction Aspern.

Check www.wienerlinien.at for the timetable.

By car

The underground parking garage is located under the main boulevard running through the campus. The entrance to the garage is on Trabrennstrasse. The garage has 411 parking places; 180 places are for short-term parking. There are four exits to the campus from the garage. All exits lead to the outside, so that visitors can enter all campus buildings from their main entrances on the ground floor.

Information points

Campus orientation plans with a map of the campus and its buildings are conveniently located at all campus entrances and garage exits. For any questions visitors may have, there will also be a staffed Welcome Desk in the Library & Learning Center.
