

Actually,  
I'm on my way up.

People like her need people like you. Why do we attract ambitious, driven and successful people as customers? Because that's exactly who we hire as employees. Accountable, committed, reliable - sounds like you? Then why not apply for a job with us?

## Internship in Group Corporates (m/f)

Erste Group was founded in 1819 as the first Austrian savings bank and today it is one of the largest banking groups in Central and Eastern Europe (CEE). As an attractive employer, Erste Group offers interesting career opportunities in an international environment.

Group Corporates specializes in providing banking solutions for large multinational corporate clients with more than 500 mn Euro annual turnover that are active in Central and Eastern Europe or headquartered therein. Our broad network of expert teams based across CEE allows our corporate clients to benefit directly from our strong local presence combined with an extensive reach into CEE. Group Corporates is also supporting clients in our extended home markets, including Spain, against the backdrop of our strategic cooperation with CaixaBank. In addition to the above, Group Corporates provides alternative financing solutions for retail and SME clients, e.g. through the Fund of Excellence.

### YOU:

- are currently enrolled at a University / University of Applied Sciences
- possess advanced knowledge in Marketing, Finance and Banking
- ideally have relevant work experience through other internships
- are interested in innovative retail and corporate banking and the CEE Region
- have bright ideas to market alternative financing products pursued by Group Corporates
- support us to better service our clients (e.g. with social media marketing and administrative support ...)
- have creative and execution skills
- work in a cooperative and team-oriented way
- act accountably and responsibly
- have advanced German and English language skills – maybe you even speak a CEE language

### WE:

- offer an exciting and challenging internship for 6 months part-time (19,25h/week), starting from May 2017
- support your professional and personal development
- guarantee an internship allowance of EUR 1.450 gross per month (on a fulltime basis)

### INTERESTED?

We are looking forward to hearing from you!
