

We are looking for students as
Social Media Marketing Managers
(part-time)

As a skin care exporting start-up in the affordable luxury segment, we are currently looking for dynamic students as addition to our team! As sparring partner of the founders you will be working closely with advertising agencies, online influencers and graphic designers.

We would like you to...

- support our management in online marketing strategy
- operate our social media accounts including content creation such as e.g. photography
- optimize SEA & SEO

You...

- are a current student of international business or a comparable field
- have a very good command of spoken and written English & an international mindset
- may also be capable of additional foreign languages (Mandarin would be a super plus)
- are a goal-oriented personality with proactive ways of working and entrepreneurial mindset
- are a digital native fluent in social media

Based on the Austrian labor agreement (Handels-KV, Beschäftigungsgruppe III Region A) we are offering a minimum monthly full-time equivalent gross wage of EUR 1.546,00.
