SBWL Digital Marketing

The Content

Digital transformation of the marketing landscape:

➤ Information technology and interactive online media change the way consumers collect information, make decisions, communicate with each other and with firms, ...

„Classical“ marketing funnel:

Digital customer journey:

SBWL Digital Marketing

Let me explain: Technology changed/s the face of marketing

Online ad displays

Real-time ad bidding

AI/ SEO/ SEA marketing

AI Search

Google Ads

SEO
(Organic Results)

Influencer marketing

Subscription services

Coronavirus sparks surge in demand for meal kit deliveries

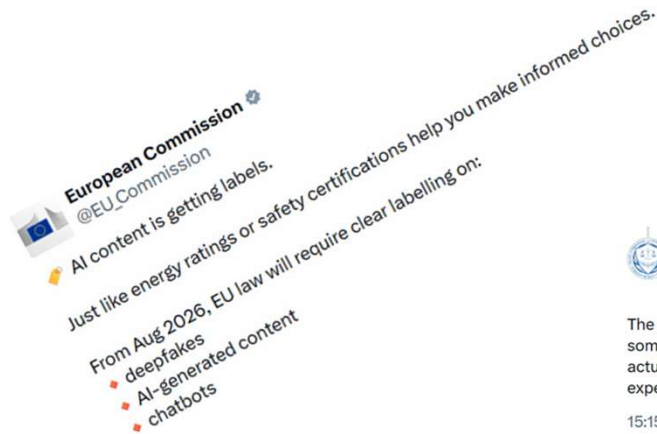

Omni-channel

SBWL Digital Marketing

... but there are also doubts about its effectiveness

Google users are less likely to click on links when an AI summary appears in the results

Meta commits to give EU users choice on personalised ads under Digital Markets Act

Federal Trade Commission Announces Final Rule Banning Fake Reviews and Testimonials

Facebook's job ads algorithm is sexist, French equality watchdog rules

SBWL Digital Marketing

The Offer

Our specialization addresses challenges in digital marketing and equips students with the skills needed to succeed in these business environments!

We offer research-driven course content to develop/strengthen your:

- **Management Skills:** Solving marketing-related problems in a digitized economy
- **Analytical Skills:** You acquire methodological know-how to support marketing-decision making (“quantitative intuition”)
- **Transfer Skills:** Apply and implement this knowledge in real-world decision scenarios (digital marketing lab)

SBWL Digital Marketing

The Structure

We offer ...

- Research-driven course content
- Training in first-rate tools for business analytics
- Support to translate skills into business practice
- Collaborations with industry partners

Required Courses

SBWL Digital Marketing
