

The WU Vienna (Vienna University of Economics and Business) is the second largest business university in the European Union with around 2,400 employees in research, teaching and administration and more than 23,000 students. As a workplace, we offer an architecturally outstanding, modern campus near the Vienna Prater. To support our research team at the **Institute for Strategic Management**, we are offering a

Werkvertrag (m, w, d)

to conduct interviews with senior managers, experts and employees about the topic "Incumbent-hosted Meta-Organizations to create Sustainable Innovation in the Electric Utility Sector" between **February 1st, 2022 until June 30th, 2022.**

We Offer:

- Hands-on deep dive into Sustainable Innovation in the Energy Industry
- Highly supportive work environment (e.g. we provide you with all the interview guideline, so no further theory research or method research is required)
- Full teleworking possible
- Flexible and mostly self-determined working time
- (IF DESIRED: Write master thesis related to research task)

Tasks

- Main goal is to conduct interviews with top-experts in the sustainable innovation field
- Conducting desk research to create long-list of interviewees for given firms
- Preparing and conducting interviews with 8 European leaders in the electricity utility sector
- Writing transcripts

Your profile

- Highly motivated and autonomous working style
- Excellent knowledge of English (Italian and French beneficial)
- Completed bachelor degree in business, economics or the social sciences (or equivalent qualification)
- Ongoing or finished Master's studies at WU
- Excellent track record (studies or work)

The full contract amounts to € 2,500.-
