MIRIAM ENZI:

AMAZON LOGISTICS - INNOVATION AND SUSTAINABILITY FOR THE LAST MILE

In this presentation we will talk about what we, as Amazon Logistics, do to accelerate innovation and invest in sustainability. The talk will focus on latest projects and current operations of last mile delivery in Austria.

Miriam Enzi completed her Bachelor and Master studies at the Vienna University of Economics and Business. She then researched and lectured at various institutions in Austria, France and Denmark. After finishing her PhD in Operations Management and Logistics, awarded by the University of Vienna, she joined Amazon in Germany. Earlier this year, Miriam took over the responsibility of leading Amazon Logistics in Austria.
