MAX VLIEGENTHART:

“THE DIGITAL BRAIN OF YOUR ENTERPRISE. HOW LEADING ORGANIZATIONS ARE USING AI AND ML.”

Pasion for improving human performance through technology is what drives Max. In today's world, there are still many inefficiencies and Max holds a core belief that technology could improve our performance significantly. This passion has led Max to join o9 and bring next-generation technology to the largest enterprises of the world. Max holds a degree in Industrial Engineering and Business Administration.
