## CRYPTO DEVELOPER (M/F/D)

Schur Flexibles accelerates change to a better world through protective packaging solutions. Our dynamic group is one of the top European companies in the flexible packaging industry. Dedicated and experienced hands-on personalities with a flexible mind and entrepreneurial spirit are the reason of our remarkable success. We are looking for a Crypto Developer (m/f/d) to join our versatile & ambitious team at our headquarters in Wiener Neudorf.

### YOUR ROLE

- In this exciting position you will be contributing to establish a revolutionary digital business model in our industry
- As part of our Digital Transformation team you will work with Distributed Ledger Technologies
- You will have the chance to be part of the team that builds a DLT platform from scratch
- Beyond that you implement robust algorithms on top of our ERP and IoT data you will take over increasing responsibility for exciting projects with our well-known international customers
- Explaining the crypto world to our international staff is also an important part of your daily business

### YOUR QUALIFICATIONS

- Degree in Computer Engineering and/or Computer Science with focus area DLT/Blockchain
- Good understanding of cryptography-based protocols including external communications, data storage, authentication and data transfer
- Experience in working with security concepts such as root of trust, symmetric and public key protocols & crypto cores, security middleware and key provisioning
- Knowledge of standard cryptographic algorithms, security protocols and their implementation aspects
- Knowhow of the Full Process of Implementing a Smart Contract in the blockchain (preferably Bigchain DB)
- Team player with good communication skills
- Ability to think outside the box and passion to try new things
- Proactive character with distinguished engagement
- Fluent knowledge of English, German as an advantage

### YOUR BENEFITS

- We welcome you in a collaborative and open minded climate and a modern working environment
- You will have the chance to drive change and new issues in a fast-paced environment
- We offer very good development prospects
- You will have flexible working hours and the possibility to work remotely
- We have company-owned park lots or are easily accessible by public transport
- The minimum gross annual salary for this position is planned € 56.000,-, negotiable according to the qualifications and professional experience
