

Stellenausschreibungen

An der Fakultät für Informatik der Technischen Universität Wien gelangen **nachstehende Stellen** zur Besetzung:

Die TU Wien strebt eine Erhöhung des Frauenanteils insbesondere in Leitungsfunktionen und beim wissenschaftlichen bzw. künstlerischen Personal an und fordert deshalb qualifizierte Frauen ausdrücklich zur Bewerbung auf. Bewerberinnen, die gleich geeignet sind wie der bestgeeignete Mitbewerber, werden vorrangig aufgenommen, sofern nicht in der Person eines Mitbewerbers liegende Gründe überwiegen. Wir sind bemüht, behinderte Menschen mit entsprechender Qualifikation einzustellen und fordern daher ausdrücklich zur Bewerbung auf. Bei Rückfragen wenden Sie sich bitte an die Behindertenvertrauensperson der TU Wien, Herrn Gerhard Neustätter, gerhard.neustaetter@tuwien.ac.at.

At the **Institute of Information Systems Engineering**, in the [Research Unit of Machine Learning](#) TU Wien is offering a position as student staff in research/administration for 20 hours/week. Expected start: August 2023. This position is limited until 31.01.2024, but no longer than the completion of a master's or diploma degree.

Tasks:

- Participation in preparation and implementation of research projects of the group; with focus on tackling biological problems with the help of machine learning
- Programming and implementation of research prototypes as well as data analysis
- Organizational support in teaching and related activities

Your profile:

- Enrolled in a computer science (or related) degree; Not having completed master's or diploma degree in the subject
- Strong interest in the theory and algorithms of machine learning with the willingness to apply the algorithms to real data
- Autonomy in the implementation of programming and research tasks
- High motivation for scientific work and ability to work in a team
- Nice to have: Interest in biological problems

We offer:

- A wide variety and exciting range of tasks in a collegial team
- Hybrid working style with up to 60% home office option
- A range of attractive social benefits (see [Fringe-Benefit Catalogue of TU Wien](#))
- Wide range of internal and external training opportunities, various career options
- Central location of workplace as well as good accessibility (U1/U4 Karlsplatz)

Entry level salary is determined by the pay grade C of the Austrian collective agreement for university staff. This is a minimum of currently EUR 1,190.00/month gross, 14 times/year for 20 hours/week.

Please submit your application including:

- **Cover letter** (please briefly describe your interests in the field of machine learning)
- **CV**
- **Transcripts** (for any completed or ongoing academic studies) (under the category: [+add more documents](#))

We look forward to receiving your application until August 3, 2023 on our job platform: <https://jobs.tuwien.ac.at/Job/214108>

The **Institute for Information Systems Engineering** is looking for a student assistant in research/administration (20 hours per week) to join the Machine Learning Research Unit. This position (20 hours per week) is available from August 2023. The position is limited to January 31, 2024, or till the completion of applicant's master's or diploma course (whichever is earlier).

Tasks:

- Committed participation in the preparation and implementation of research projects of the group
- Programming and implementation of research prototypes and experiments
- Organizational support in teaching and related activities

Your profile:

- Enrolled in a computer science (or related) degree; Not having completed master's or diploma degree in the subject
- Strong interest in the theory and algorithms of machine learning with the willingness to apply the algorithms to real data
- Autonomy in the implementation of programming and research tasks
- High motivation for scientific work and ability to work in a team

We offer:

- A wide variety and exciting range of tasks in a collegial team
- Hybrid working style with up to 60% home office option
- A range of attractive social benefits (see [Fringe-Benefit Catalogue of TU Wien](#))
