

Russisch-Kurse in Petrozavodsk, Russland

“Enjoy Russian” language school (Petrozavodsk, Russia) invites you and your colleagues who teach Russian as a foreign language to summer furthering education course “**Creative technologies in teaching Russian as a foreign language**”. For teachers – non-native speakers we offer a Russian course as well. More details are on our website

https://enjoyrussian.com/courses/for-rfl-teachers/?utm_source=email . The School “Enjoy Russian” operates as a department of Karelian regional educational organization “Tsentr “Initsiativa”, a member of International Association of Teachers of Russian Language and Literature, widely known under its Russian abbreviation, MAPRYAL, we teach Russian as a foreign language since 2004.

We also invite your students and colleagues to participate in a program of **full Russian immersion in Russia in spring of 2018!**

Starting dates of spring courses:

12-week course: 5 March

4-week courses: 5 March, 02 April, 30 April

2-week courses: 30 April, 14 May

The program includes:

- Intensive Russian course;
- Russian homestay with meals;
- Language practice and support of Russian volunteers;
- Diverse cultural programs, trips, excursions.

We have **special offer for a professor** who accompanies a group of students: the School covers accommodation with meals and a trip to the Kizhi island (UNESCO heritage).

From May to September there is a special offer “**Russian for friends**”: students of one level who come for a 4-week course together save 80 euro each.

More information about the group courses:
