Announcement of the Research Group Computational Statistics (CSTAT)

Post-doctoral University Assistant

The position is scheduled to be filled by 1st October 2019 for a duration of 6 years with an employment for 20 hrs/week. The monthly minimum salary B1 is currently € 1.902,- gross (14x per year). Prior experience may result in higher salary.

Employment conditions:

Completion of a Master or Diploma-curriculum as well as a doctorate or PhD in one of the following fields:

Mathematics, Statistics, Data Science

Job description:

The research group Computational Statistics works on the development of new multivariate statistical methods, on new algorithms, as well as on the implementation of such methods in the computing environment R. The successful candidate is expected to contribute to these research goals, and to collaborate with experts from other fields in different applications and projects.

Willingness to hold compulsory and elective courses and also take care of the students.

Additional information

can be obtained by Prof. Peter Filzmoser peter.filzmoser@tuwien.ac.at

Application deadline: 31.07.2019 (Date of postmark)

The application should include the following documents: Statement of research interests, Curriculum Vitae, Doctoral or PhD thesis, Copies of academic credentials (with translation if not in English or German), Contact information of two referees or two reference letters.

Please send your application documents to Fachbereich wiss. Personal der TU Wien, Karlsplatz 13, 1040 Wien. Online-applications to: barbara.triebl-kraus@tuwien.ac.at,

Candidates are not eligible for a refund of expenses for travelling and lodging related to the application process.

Female applicants are especially invited to apply. We explicitly encourage handicapped persons with appropriate qualifications to apply. In case of any questions please contact Gerhard Neustätter gerhard.neustaetter@tuwien.ac.at at TU Wien.
