

# Save the date: Unique EUCOTAX Wintercourse Congress

24 March 2017 at Tilburg University

## 'Celebrating 25 years of EUCOTAX Wintercourse'

In 2017, the EUCOTAX Wintercourse celebrates its 25th anniversary and we are pleased to invite you as our special guest to this event:

'Celebrating 25 years of EUCOTAX Wintercourse' with a congress on:

**'State Aid, Intangibles and Tax Rulings'**

**24 March 2017**

**Tilburg University, the Netherlands**

Please put the date in your agenda!

Soon you will receive more information about the program. It promises to be very appealing with prominent speakers in the field of International Tax Law. And of course the social aspect will be present clearly with possibilities to catch up with former fellow EUCOTAX Wintercourse students and staff. Feel free to bring your partner with you.

We would appreciate if you share this mail with your former fellow students since we don't have the e-mail address of every participant. This way we can reach as many participants as possible.

We hope to see you on Friday 24 March 2017!

With kind regards,
