DIBT Doctorate Workshop “Tax Treaty Arbitration”

July 5, 2018, Rust (Burgenland), Austria

The Institute for Austrian and International Tax in cooperation with the Doctoral Program for International Business Taxation are organizing a Doctorate Workshop in Rust, Burgenland on Thursday July 5, 2018.

The DIBT Doctorate Workshop is an opportunity for doctoral students who are writing their thesis in this area to give a short presentation of the current status of their work and their preliminary research results. The academic committee selected the applicants who are invited to present his or her work, in a competitive process. After each presentation one of the DIBT collegiates will comment for up to ten minutes on the dissertation project of that speaker (from the point of view of his or her discipline).
