

Special rates for 2026 at hotels near the WU Campus

Dear colleagues,

Due to the planned increase in the local tax in 2026, the current corporate rates are valid until June 30, 2026. From July 1, 2026, there may be a price change of approximately 5%. We will, of course, be informed of this in a timely manner and will pass this information on to you immediately.

The special rates do not apply during major events, trade fairs, and congresses, nor for groups and/or conferences. The maximum number of rooms for the applicable special rate is indicated in green for your convenience.

We are happy to assist you with any further questions or requests.
