

Student Profile 23-24 ⁽¹⁾

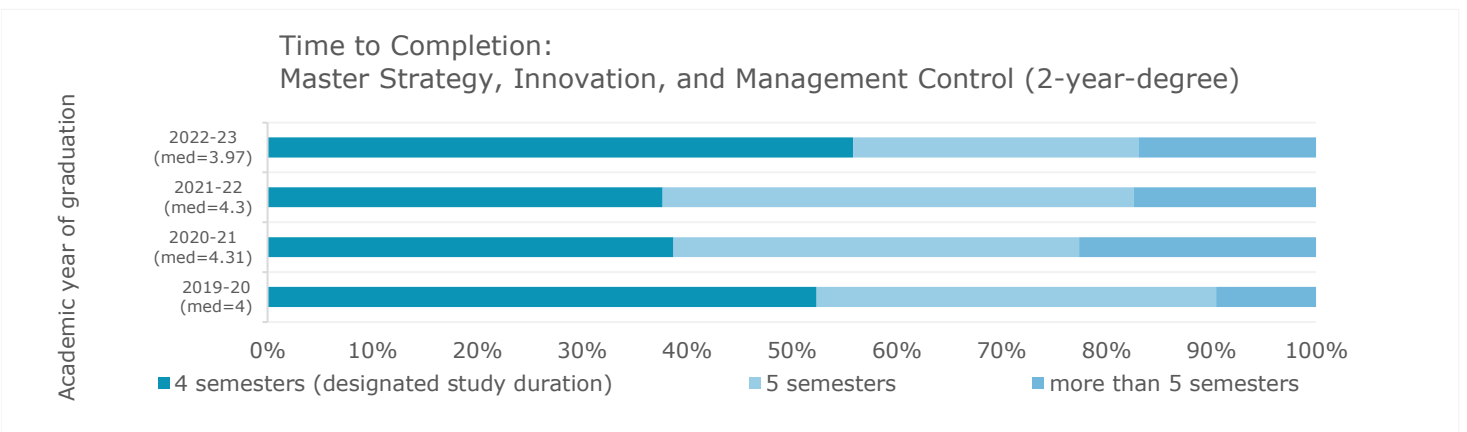

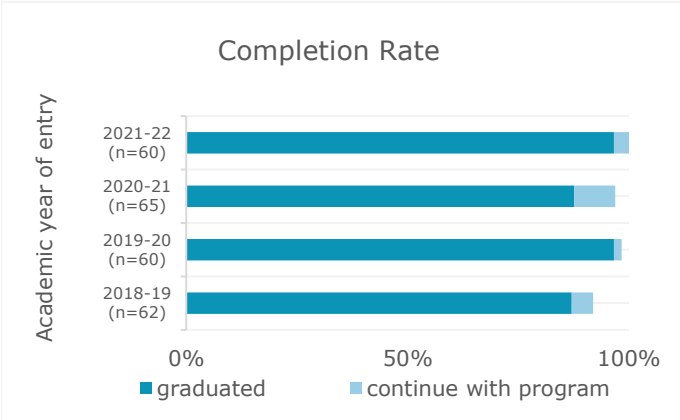

1st Generation students = students with parents who did not complete an academic degree

Graduates' 22-23 Profile ⁽²⁾

Interpolated monthly gross median, incl. 13th/14th salary (often contractually guaranteed in Austria), based on Austrian labour market data. Note: These figures reflect average salaries. At least 10% of graduates start businesses, which may result in lower initial earnings than regular full-time jobs.
