

**Decree of the Rector's Council pursuant to § 71e (4) of the  
Universities Act 2002 (*Universitätsgesetz* 2002)  
on the selection procedure before admission to the  
Master's Program in Supply Chain Management**

Pursuant to § 71e (4) of the Federal Act on the Organization of Universities and their Studies (Universities Act 2002), Federal Law Gazette I no. 120/2002 as amended, the following Decree has been made:

**§ 1 – General information**

(1) Admission to the Master's Program in Supply Chain Management, which entered into force at WU Vienna University of Economics and Business on October 1, 2010 and is held entirely in English, shall be regulated by means of a selection procedure.

(2) Admission granted to applicants to the Master's Program in Supply Chain Management after completing the selection procedure applies only to the academic year immediately following application. During the selection procedure before admission, the applicants' aptitude for the program will be determined by a panel of experts, based on the applicants' written applications.

(3) Costs incurred by the applicants in the course of the selection procedure are non-refundable.

**§ 2 – Scope**

This Decree applies to all applicants for the Master's Program in Supply Chain Management regardless of citizenship.

**§ 3 – Admission date and number of places**

(1) The selection procedure for the Master's Program in Supply Chain Management shall take place starting in September of the preceding calendar year.

(2) The number of available places per academic year shall be determined at 60. This is the number of places for which admission may be granted during the selection procedure.

**§ 4 – Selection criteria**

Applicants' aptitude for the program is the most important criterion for admission. Aptitude is judged based particularly on the following criteria:

- Proof of a bachelor degree or equivalent first degree in a subject relevant to the program pursuant to § 64 (5) of the Universities Act 2002 as amended
- Sufficient proficiency in English
- Skills and knowledge in production and/or transport and/or logistics
- Skills and knowledge in management information systems and/or geoinformatics
- Skills and knowledge in mathematics and/or statistics
- Achievement potential

## § 5 – Application in writing

(1) The application period shall run from September of the preceding calendar year. Deadlines shall be made public on the website of WU Vienna University of Economics and Business. The electronic application form for the Master's Program in Supply Chain Management shall be available online throughout the entire application period.

(2) Applicants shall be required to provide an email address on the online application form. This email address must be valid throughout the selection process and accessed regularly by the applicant.

(3) To document the admission criteria as stipulated in § 4, applicants must submit the following documents as uploaded .PDF files, together with the completed electronic application form:

1. To provide proof of a bachelor's degree in a subject relevant to the program pursuant to § 64 (5) of the Universities Act 2002 as amended documentation confirming that the degree program is worth a minimum of 180 ECTS credits. The Bachelor's Programs in Business Law and in Business, Economics, and Social Sciences at Vienna University of Economics and Business are considered relevant.
2. To provide proof of an equivalent degree program pursuant to § 64 (5) of the Universities Act 2002 as amended confirming that the degree program is worth a minimum of 180 ECTS credits and documentation confirming that examinations in one of the following subjects were completed:
  - a. Business administration and/or economics worth a minimum of 60 ECTS credits
  - b. Production systems and/or logistics systems and/or information and communication technologies worth a minimum of 40 ECTS credits
  - c. Computer sciences worth a minimum of 40 ECTS credits
  - d. Mathematics and/or statistics worth a minimum of 40 ECTS credits
  - e. Geography worth a minimum of 40 ECTS credits
3. To provide proof of sufficient proficiency in English:
  - a. Valid certificates from one of the following: TOEFL 600/250/100, IELTS 7.0, TOEIC 800, Cambridge English: CAE (Certificate in Advanced English), CPE (Certificate of Proficiency in English), BEC Higher (Business English Certificate Higher), UNICert III, or
  - b. Documentation from an institute of higher education confirming the completion of a bachelor's program or a master's program of at least two years in duration in English, or
  - c. A document confirming that English is the applicant's first language, or
  - d. A certificate from a language school or university confirming the applicant has achieved level C1 according to the Common European Framework of Reference for Languages
4. To provide proof of skills and knowledge in the field of production and/or transport and/or logistics, skills and knowledge in the field of management information systems and/or geoinformatics, and skills and knowledge in the field of mathematics and/or statistics, in addition to certificates of examinations passed in these areas, students can also submit one or more letters of recommendation written by a course

teacher, an advisor or supervisor of an academic thesis, or the educational institution at which the course or courses were attended and/or the academic thesis was written, detailing the applicant's mastery of the skills named above.

5. To provide proof of achievement potential:
  - a. a valid Graduate Management Admission Test (GMAT) result, or
  - b. Documentation of the applicant's grade point average (GPA) issued by the educational institution from which the applicant received his/her bachelor's degree or equivalent first degree in a subject relevant to the program pursuant to § 64 (5) of the Universities Act 2002 as amended, or
  - c. Letter(s) of recommendation written by a course teacher, an advisor or supervisor of an academic thesis, or the educational institution at which the course or courses were attended and/or the academic thesis was written, detailing the applicant's achievement potential
6. All documents not originally issued in English or German must be accompanied by translations prepared by a court-certified translator.

## **§ 6 – Assessing aptitude**

(1) A panel of experts consisting of three members of the academic staff who have completed at least a doctorate with a dissertation in one of the fields production, transport, logistics, management information systems, geoinformatics, or operations research will assess the applicants' aptitude for the program on the basis of the applicants' written applications. Panel members will be appointed for the duration of one selection period by the Vice-Rector for Academic Programs and Student Affairs. Decisions of the panel require a majority vote.

(2) When the documents stipulated in § 5 (3) have been submitted, the panel of experts shall determine the applicants' aptitude for the program based on the documents submitted to provide proof of the applicants' skills and knowledge in production and/or transport and/or logistics, in management information systems and/or geoinformatics, in mathematics and/or statistics, and to document achievement potential. Selection criteria need not all be satisfied to the same extent, but should rather be assessed in the spirit of a flexible system.

## **§ 7 - Results of the selection procedure**

(1) After completion of the selection process, offers for admission to the Master's Program in Supply Chain Management are extended to the most qualified applicants, until the number of available places as stipulated in §3 (2) are filled. Applicants who, based on their qualifications, would be eligible for admission but did not receive an admission offer because no more places were available, shall be informed of their position on the waiting list. All other applicants shall be eliminated from the selection process.

(2) The applicants shall be notified by email of the results of the selection procedure as stipulated in (1) above.

## **§ 8 - Confirming admission offers**

(1) Each applicant who is extended an admission offer must confirm acceptance of this offer by email within 10 days of receipt of the offer, otherwise the admission offer becomes invalid.

(2) All applicants who submit confirmation of acceptance as stipulated in (1) shall receive written confirmation of admission.

## **§ 9 – Admission**

(1) For admission to the Master's Program in Supply Chain Management, the applicant must be in possession of confirmation of admission as stipulated in § 8 (2) for the academic year in question and fulfill the qualifications specified in §§ 63ff and § 91 of the Universities Act 2002 as amended.

(2) In addition to the required documents specified in the Universities Act 2002 as amended, all documents submitted electronically during the selection process must also be submitted as original documents before admission, taking all valid legalization and certification requirements into account. Documents not originally issued in German or English must be accompanied by a certified English translation.

## **§ 10 – Repeat participation in the selection procedure**

Applicants who are not admitted to the Master's Program in Supply Chain Management after the selection procedure are permitted to apply in future selection procedures.

## **§ 11 – Jurisdiction**

The selection process falls under the jurisdiction of the Vice-Rector for Academic Programs and Student Affairs of WU Vienna University of Economics and Business.

## **§ 12 - Effective date**

(1) This Decree takes effect on the day after it has been published in the bulletin of WU Vienna University of Economics and Business (*Mitteilungsblatt*).

(2) Amendments of this Decree, published in the bulletin No. 42 of WU Vienna University of Economics and Business on July 20, 2011, take effect on the day following their publication.

(3) Amendments of this Decree from April 9, 2014, published in the bulletin of WU Vienna University of Economics and Business on May 28, 2014, take effect on the day following their publication.

(4) Amendments of this Decree of February 23, 2016, published in the bulletin of WU Vienna University of Economics and Business on March 30, 2016, take effect on the day following their publication.

(5) Amendments of this Decree as published in bulletin no. 34 of WU Vienna University of Economics and Business on May 24, 2017, take effect on the day following their publication.

Vienna, April 19, 2017

On behalf of the Rector's Council  
Edeltraud Hanappi-Egger  
Rector
