

The Vienna Institute for International Economic Studies (wiiw) is one of the principal centres for economic research on Central, East and Southeast Europe (CESEE) with more than 45 years of experience. We have expanded our work on European integration issues more generally encompassing the CESEE EU member states, but also developments in Wider Europe and its neighbourhood. We also cover a wide variety of issues in International Economics. Our thematic research covers macroeconomic analysis, international economics, labour markets, regional analysis, industrial organisation. Research projects are commissioned by national and international clients and emerge from applications to research funding agencies. We coordinate and are integrated in a large number of international research networks. For more details please visit our website: [www.wiiw.ac.at](http://www.wiiw.ac.at)

We are looking for an

## **ECONOMIST**

interested in **regional and spatial analysis**

### **Major tasks:**

- Economic research on regions in the countries of Wider Europe
- Broaden our expertise on EU regional development and policies
- Policy evaluations and impact assessment studies
- Acquisition and execution of research projects

The position is limited to one year in the first instance; can be extended following a satisfactory probationary period

Start: as soon as possible – ideally by January 2020

### **Requirements:**

- MA or PhD in Economics and/or Spatial Planning
- Research experience in regional and spatial analysis
- Interest in applied research
- Good quantitative and econometric skills (Stata/R; GIS skills are an advantage)
- Knowledge of both conventional and heterodox economic analyses
- Excellent English (written and oral); knowledge of a Central-, East and Southeast European language as well as German is an advantage
- Very good (proposal) writing and presentation skills
- Flexibility as well as ability to work independently as well as in teams

We pay salaries comparable to universities. Remuneration for the 40 hours position will be € 39,000 gross annual income or above, depending on qualification.

Women are encouraged to apply.

**Please send your application**  
**(with cover letter, CV and copies of certificates) to**
