## **- Job Opening -**

### **Doctoral or Postdoctoral Position**

The chair for empirical economics offers one position at the pre- or postdoctoral level starting March 1, 2022 or after. The salary for the predoc / postdoc position corresponds to a 75 / 100 % position on the TV-L E13 pay scale or equivalent, respectively.

The position involves participation in the teaching and administrative tasks of the chair. The position facilitates independent research leading to a dissertation or habilitation (optional) which is supported by the chair. The predoc / postdoc benefits from an active research environment and can participate in the programs of BGPE ([www.bgpe.de](http://www.bgpe.de)), the Laser-Network ([www.laser.uni-erlangen.de](http://www.laser.uni-erlangen.de)), and the IAB ([www.iab.de](http://www.iab.de)). Also, several research data centers are available in the region.

Applicants should be close to completion or have completed their graduate / doctoral studies with good or very good results. Proficiency in the German language is indispensable. The successful candidate is proficient in English and has a solid background in econometrics or statistics. We look for an individual with experience in empirical economic research and a keen interest in working with data.

Women are particularly encouraged to apply. Severely handicapped applicants will be preferred when equally qualified. Please send applications (including CV, copy of all transcripts, thesis paper, and possibly letter(s) of recommendation) in a single pdf-file by November 30, 2021 to:

Dr. Erwin Winkler  
Chair of Empirical Economics (Prof. R. T. Riphahn)  
Friedrich-Alexander-University Erlangen-Nürnberg  
Lange Gasse 20  
90403 Nürnberg, Germany E-Mail: [erwin.winkler@fau.de](mailto:erwin.winkler@fau.de)

For further information, please contact Erwin Winkler. Additional information on the chair is available at [www.empiricalecon.rw.fau.de](http://www.empiricalecon.rw.fau.de), information on the BGPE at [www.bgpe.de](http://www.bgpe.de).
