

Academic staff

PhD Position in Economics (part-time 65 %, E 13 TV-L)

Reference No: 2023/088

The University of Konstanz is one of eleven Universities of Excellence in Germany. Since 2007 it has been successful in the German Excellence Initiative and its follow-up programme, the Excellence Strategy.

The chair of **Applied Microeconomics** (Christina Felfe) from the Department of Economics at the University of Konstanz invites applications for a PhD position, 65 % in accordance with the regulations of German TV-L13 with the possibility to increase the workload at a later stage during the PhD. The **starting date is October 1, 2023**. The contract duration is 1+3 years. The successful candidate will contribute to the chairs' research, in particular the **research conducted within the ERC Consolidator Grant "Early Origins of Social Cohesion"** (<https://cordis.europa.eu/project/id/101001284> and <https://www.wiwi.uni-wuerzburg.de/kidsngroups/startseite/>). In addition, the successful candidate will take over some teaching responsibilities.

Your Responsibilities

- Contribution to the chairs' research, especially research conducted within the ERC Consolidator Grant "Early Origins of Social Cohesion" (including primary data collection in the field and data analysis of the novel data collection)
- Teaching responsibilities (e.g., 1-2 tutorials and/or seminars per semester)
- Support by the supervision of Bachelor- and Master-theses

Your Competencies

- Great interest in Behavioral, Education and/or Migration Economics
- Strong written and oral communications skills are required in English and German
- First experience in primary data collection (including experimental and/or survey work) desirable
- Excellent empirical skills are necessary, coding skills (e.g., in O-Tree, Qualtrics, R, Stata, ...) are advantageous
- A master's degree or being close to finishing a master's degree in Economics or a related field is required

We Offer

- A dynamic and highly interactive research environment
- Possibility to participate in a highly reputable research project funded by the ERC council
- Opportunity to conduct research with (policy) impact
- Strong national and international network within and beyond the scientific community
- Good development opportunities, extensive training, and an attractive remuneration package

Questions regarding the position can be directed to Prof. Dr. Christina Felfe via e-mail: christina.felfe@uni-konstanz.de.

We look forward to receiving your application by **April 15, 2023** via our **Online Application Portal**.
