

Part-Time Research Assistant

I am looking for one highly-skilled and motivated individual to work as part-time research assistant (RA). The person hired will work with Dr. Arenas-Arroyo on a variety of projects related to labor economics. The successful candidate will contribute centrally to the data work of the projects-data collection, processing and visualization. This is an ideal position for someone interested in preparing for a Ph.D. in economics or public policy.

The ideal candidate will have

- a bachelor's degree in economics, public policy, political science, statistics, or computer science
- strong programming skills
- web scraping experience
- strong organizational skills and attention to detail
- the ability to work independently to solve problems
- Languages: English and Spanish and/or Italian

Most programming work will be done in Stata or R. Candidates with demonstrated programming experience in other languages and a willingness to learn Stata are welcome to apply.

The contract is 4 hours/week and the person hired can work remotely.

How to Apply

Applications include a **cover letter, a CV and a transcript of grades**. Applications should be sent by email to Dr. Esther Arenas-Arroyo (esther.arenas.arroyo@wu.ac.at).
Application Deadline 17 July 2023.
