

Viennese Chamber of Commerce Award

Objective

In 2018, the Viennese Chamber of Commerce Award, amounting to a total of € 36,220, aims to support research projects on the following topics: [2018 list of topics](#) (in German) (the topic suggestions of past years remain valid as well).

Requirements

The Viennese Chamber of Commerce Award is aimed at supporting young researchers up to 45 years of age. The grants are intended to finance projects of a certain scope, for this reason the proposed costs should not be under € 5,000.

The duration of the project must be entirely within the time of your employment at WU.

Please note the [grant conditions](#).

Application

1 hard copy and one electronic version:

- Full proposal in writing
- Application form (available [here](#))

Please note the [award regulations](#) (in German). To complete the application form, you need to look up the code of the respective field of science in the [Statistics Austria classification database](#).

Please submit your written application to the Vice-Rector, Research, c/o Research Service Center. Please submit the electronic version to: forschungsservice@wu.ac.at

Information:

Contact: Beate Hareter, ext. 5106, email: beate.hareter@wu.ac.at
