WU Organizational Structure Plan

Pursuant to § 21 (1) item 1 of the Universities Act 2002 (Universitätsgesetz), the following Organizational Structure Plan was approved by the University Board on May 27, 2026, after presentation by the Rector's Council and approval by the Senate. It shall become effective as of June 1, 2026, replacing the version of the Organizational Structure Plan published in the WU Bulletin dated May 28, 2025, issue 34, which ceases to be effective on May 31, 2026.

Preamble:

1. This Organizational Structure Plan describes the internal organization of WU (Vienna University of Economics and Business). The plan differentiates between academic units (teaching and/or research facilities) and administrative/service units.
2. The university's academic units consist of departments, research institutes, competence centers, and the WU Executive Academy. Within departments, the establishment of institutes and groups is permissible pursuant to §§ 17 (1) and 20 (1) of the WU By-Laws.
3. With the exception of the bodies named in item 4 below, each administrative/service unit is allocated to a specific member of the Rector's Council. Pursuant to § 11 of the Rules of Procedure of the Rector's Council, the Vice-Rectors act as supervisors to the employees of these units on behalf of the Rector.
4. The office of the Senate and the office of the Equal Opportunities Committee are service units that are allocated to the Senate and the Equal Opportunities Committee, respectively, and not to the Rector's Council. The chair of the Senate acts as supervisor to the employees of the office of the Senate on behalf of the Rector. The chair of the Equal Opportunities Committee acts as supervisor to the employees of the office of the Equal Opportunities Committee on behalf of the Rector.
5. The internal organization of the university is described and depicted in Annexes 1 and 2.

Chair of the University Board:
Dr. Cattina Leitner, LL.M., MA
