## Chapter VI

# **Habilitation proceedings**

## **Habilitation Directive**

- § 38. (1) The Senate shall issue a general directive on the procedure in habilitation proceedings. The directive must regulate the following matters, in particular:
  - 1. Academic requirements for habilitation, taking into account special requirements for specific disciplines
  - 2. Public habilitation lecture by the habilitation candidate before the Habilitation Committee and the academic staff of the department concerned and related departments before a *venia docendi* is awarded (habilitation colloquium)
- (2) The requirements of (1) item 1 are to be adopted on the basis of proposals by the Department Committees or by Department Conventions.

#### **Habilitation reviewers**

- **§ 39.** (1) Habilitation reviewers are appointed by the full professors in the Senate at the proposal of the full professors of the department or Convention that is responsible for the *venia docendi* applied for.
- (2) When selecting a reviewer, care is to be taken that the reviewer does not have a close personal relationship with the habilitation candidate.

#### **Habilitation Committee**

 $\S$  40. The Habilitation Committee consists of five representatives of the full professors, two representatives of the academic staff pursuant to  $\S$  94 (2) item 2 of the Universities Act 2002, and two representatives of the students.

# Granting and expiration of the venia docendi

- § 40a. (1) The venia docendi is granted by the Rector's Council.
  - (2) The venia docendi expires
  - 1. Following a written waiver sent to the Rector's Council
  - 2. Following a revocation because of a conviction by an Austrian court that results in the loss of a civil servant's position pursuant to § 27 (1) of the Criminal Code (*StGB*, *Strafgesetzbuch*), Federal Law Gazette no. 60/1974, as amended. The *venia docendi* is revoked by official notification by the Rector's Council.
    - (3) The expiration of the *venia docendi* must be published in the WU Bulletin.
