

## Browser multimedia test: Information and Link

### for written online exams with online exam supervision on MyLEARN

The [browser multimedia test](#) allows you to test your setup (camera, microphone, screen recording) – independently of any examination. The browser multimedia test is a simulation of the [online supervision pre-check](#) and in case of errors possible sources of error are automatically listed.

Please note that ***you will have to go through the actual pre-check during the preparation time for each examination with online supervision.*** ([Video-Tutorial](#))
