Step 6 Fill in and check all mandatory fields. After the information icon ⓘ you find a description of what to fill in.

Note: You have to confirm the affidavit directly in myWU.

Step 7 Upload your thesis in PDF format.

Note: The title of the file must not contain any spaces.

Please note: Only use the official **WU cover page** for [bachelor's theses](#) or [master's theses](#).

Upload documents

- File names must not contain spaces, punctuation marks or special characters
- Please note that the thesis and its appendices will be published electronically in the library. The list of aids will not be published.
- Are you using the correct [WU cover sheet](#)?

Note: You can upload data that does not fit into the PDF format of the thesis as attachments, e.g. audio or video files, source code. For master's/doctoral theses, note that any attachments are published. Personal data must be pseudonymized.

Note: If the paper was **written jointly by two or more people**, **only one author uploads the paper** and indicates the co-author(s).

Step 8 Save the filled-in information. Submit the thesis by clicking on **Submit**. Confirm your entry by ticking the relevant checkboxes and clicking on **OK**.

Attention: After clicking on **OK** the thesis is submitted and can **no longer** be edited!
