

Responsible Knowledge Management: Reflecting on the Future of Knowledge Management in a VUCA World

Virtual Mini Symposium

Mon, 25 April 2022
Thu, 28 April 2022

www.wu.ac.at/kbm

Monday 25 April 2022

- **Alexander Kaiser, WU Vienna**

Spiritual Knowledge Management

- **Hector Martinez, Gatton College of Business and Economics**

The Ideal Self Model

- **Constantin Bratianu, Bucharest University of Economic Studies**

Challenges of Spirituality for Knowledge Management

- **Discussion:** *What is, if at all, the place/role of spirituality and non-rational knowledge in KM?*

Thursday 28 April 2022

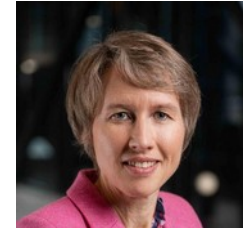

- **Raysa Rocha, University of Beira Interior**
Florian Kragulj, WU Vienna

Organizational Phronesis Scale

- **Susanne Durst, Tallinn University of Technology**

Could responsible knowledge management (rKM) be a possible answer not only to address the consequences of the pandemic but also other present and upcoming societal challenges.

- **Tom Culham, Simon Fraser University**

Knowing Self, and Oneness in a VUCA World

- **Discussion:** *Do we need to shift paradigms of KM? Do we need responsible knowledge management at all?*
