Teaching period

March 1, 2026 – June 28, 2026
Easter break: March 28, 2026 – April 6, 2026
Pentecost break: May 23, 2026 – May 25, 2026

Registration and nomination deadlines

General information	WU only accepts exchange students nominated by their home universities. The home university exchange coordinator is responsible for nominating students online and forwarding WU's Nomination Letters to the nominated exchange students.
Prospective incomings	Interested in studying at WU? Prospective exchange students can find out more on our website .
Online nomination	Partner universities are asked to send an email to WU's main point of contact for partner universities (see contacts above), indicating the number of students they wish to nominate, after which the online nomination link will be provided.
Nomination deadlines	For the winter semester: May 1 For the summer semester: November 1 For full-year students: April 1
Application deadlines for students	<ul style="list-style-type: none">• Orientation and Cultural Program• Pre-semester German language courses• Online pre-enrollment for students <p>For the winter semester: May 20 For the summer semester: November 20</p> <p>Invitations to apply online for the Orientation and Cultural Program and the pre-semester German language course will be sent out after May 2/November 2.</p>
Language requirements	Depending on the language of instruction (English or German), bachelor's exchange students must have a B2 level or above (according to the Common European Framework of Reference for Languages , CEFR) in English OR German. Master's and PhD exchange students must have a level equivalent to C1 of the CEFR. WU does not request official language certificates. However, if students do not meet the language requirements, we reserve the right to exclude them from courses.

Course information

Courses in English	More than 350 English-taught courses are offered each term, covering all core fields of business and economics as well as related areas. Some courses are offered in block format to make scheduling easier.
Courses in German	Incoming exchange students can also attend courses taught in German. Courses & FAQs for bachelor's and master's students: https://www.wu.ac.at/io/academics
Class format	Although WU has seven different examination types, most of the courses available to incoming exchange students are continuous assessment ("PI") courses. These courses are highly interactive courses including lectures, case studies, papers, presentations, and group projects. Exams and tests are held during the regular course sessions, and there is no special exam week at the end of the semester.
Attendance and participation	Attendance is mandatory in all courses, the specifics are indicated in each course syllabus.
Course registration/course overlap	WU's online registration system LPIS allows students to register for courses even if they overlap. As attendance is mandatory, it is the students' responsibility to only register for courses they can attend in full. Course registration is based on a first-come, first-served principle; therefore, we strongly recommend that students choose alternative courses in case their registration for their preferred courses is not successful. Bachelor's students can only attend bachelor's level courses, master's students only master's level courses. Course numbers at WU have a purely administrative function and change every semester.
Course load	Students must take a full workload at WU, which corresponds to 24 to 30 ECTS credits. The maximum course load is 36 ECTS credits excluding language courses.
Exam dates	Exam dates depend on the courses chosen. There is no specific examination period for all courses.

German language courses

Before the semester	WU offers 2 ECTS pre-semester German language courses with levels ranging from absolute beginners to highly advanced speakers. These two-week intensive language courses are principally free of charge. A fee for administration and teaching materials (€ 40) will be charged. To participate, students need to apply by May 20 for the winter semester and by November 20 for the summer semester. Places are limited.
During the semester	WU's Business Language Center offers German courses at all levels. For students, courses (30 contact hours) cost € 229.

Orientation programs for exchange students

Orientation and Cultural Program	WU offers a two-week program, which includes activities such as social events, a sightseeing program, out-of-town field trips, presentations on Austria, etc. and costs € 350. To participate, students need to apply by May 20 for the winter semester and by November 20 for the summer semester. Places are limited.
Buddy Network	The Austrian Students' Union (ÖH) at WU are available to help exchange students find a "buddy" – a WU student who acts as their personal mentor. The Buddy Network also organizes a number of social activities for exchange students (skiing trips, trips to neighboring countries, theater evenings, etc.).

Documents

Confirmation of Arrival	The Confirmation of Arrival will be generated after the WU Incoming Kickoff. We don't sign forms from partner universities.
Erasmus+ Online Learning Agreement	Erasmus+ students will have to use the Online Learning Agreement . All other students should use the Learning Agreement that they have received from their home universities. We accept them as an editable PDF. The Incoming Team is responsible for signing these agreements.
Confirmation of Stay	Please note that a Confirmation of Stay will only be issued for the period of the student's actual studies at WU . Students can download their Confirmation of Stay. The WU Incoming Kickoff that students participate in, will be given as their date of arrival. The last day that can be confirmed on the Confirmation of Stay is the last day that students need to be present at WU (e.g. last day of classes, last exam).
Transcript of records	Students can download their transcript of records as soon as all of their grades are available.
Grading	The following grading scale applies at WU: 1 excellent (Sehr gut) 2 good (Gut) 3 satisfactory (Befriedigend) 4 sufficient (Genügend) 5 fail (Nicht genügend) WU does not use a standardized percentage-based grading scale. The percentage scores needed to receive the grades given above differ from course to course. In most cases, the course-specific grading scales can be found in the course descriptions online.

Inclusion and accessibility

General information

We would like to highlight that we gladly welcome students with physical, mental, and health-related conditions. WU Vienna offers a barrier-free campus experience and provides services, such as [BeAble, Student Counselling](#), and an [Ombuds Office for Students](#). In Vienna, certain student residence halls also offer wheelchair-accessible and barrier-free facilities. If these housing options are of interest, please [click here for more information](#). In case students require assistance or other support services, they should contact the International Office of their home university, which will then in turn inform the International Office at WU Vienna. We are happy to assist and organize needed services if necessary.

Living in Vienna

Accommodation

Off-campus student housing is available through student residence providers. Private flats can be found online e.g. through the housing platform Housing Anywhere.

For more information on finding accommodation, please visit: <https://www.wu.ac.at/en/programs/incoming-students/exchange-semester/your-semester-at-wu-from-start-to-finish/accommodation>

Estimated living costs

Housing | approx. € 450–700 /month
Health Insurance | approx. € 70 /month*
Food, personal expenses | approx. € 350 /month
Transportation | approx. € 75-100 /semester
Utilities (telephone) | approx. € 10-30 /month
Entertainment | approx. € 100-200 /month
Books | approx. €75 - €150 /semester
Students' Union dues | approx. € 25 /semester

* Students must have valid health insurance that covers their whole stay at WU, no health insurance plan is offered by WU. The price of the public health insurance provider (ÖGK) was used as an estimate for this calculation.

Sustainable exchange semester

General information

WU encourages incoming exchange students to make environment friendly choices. As responsible university, we provide information on green mobility, sustainable housing options, and mindful consumer behavior. Further, WU offers student organizations and initiatives that allow for participation and an exchange of ideas.

To learn more about sustainable exchange at WU, please have a look at this website: <https://www.wu.ac.at/en/programs/incoming-students/exchange-semester/your-sustainable-exchange-stay-at-wu/>

Entry and residence regulations

General information

Before traveling to Austria, students should make sure they are familiar with the regulations concerning visas and residence permits.

Nationals of non-EU/EEA countries and Switzerland (so-called "third country nationals") need an entry visa or residence permit for entry into and residence in Austria. The type of permit depends on the length and purpose of the stay.

Further details: <https://oead.at/en/to-austria/entry-and-residence/>

About Vienna

Vienna ranks among the most attractive cities in the world. Tradition and culture, research and education, economic growth, and a safe and livable environment make it a place with a very high standard of living that is recognized internationally.

Further details: <https://www.wien.info/en>

International Short Programs at WU

General information

In addition to a full exchange semester, WU offers intensive **academic short programs**. International Short Programs are characterized by their high-quality academic content, which is mediated in just a few course weeks and complemented by social and cultural activities. The programs are open to WU students and international students.

Further details:

<https://www.wu.ac.at/en/programs/incoming-students/international-short-programs-at-wu/>

Vienna Spring Programs

WU Vienna offers compact academic programs during the spring period (March – May), with the duration between one and three weeks. The programs focus on a specific topic, such as innovation management, global branding, or marketing. Depending on the program, undergraduate or graduate students can participate. The courses are taught in English and are designed to be exclusive in order to foster close collaboration between students, lecturers, and industry professionals. These programs allow students to broaden their knowledge on the subject field, work on real-life projects in multicultural groups, and engage in various social and cultural activities.

International Summer University^{WU} (ISU^{WU})

This three-week program takes place at WU during the summer months (July and August) and is open to both undergraduate and graduate students. The courses cover various current business-related topics, and are taught in English. Upon successful completion, students are awarded 8 ECTS credits for the program. The program includes multiple networking opportunities and a cultural and social program with fellow students from all over the world. WU partner universities can nominate their students to participate in this program as exchange students.

WU Facts and Figures

Facts & Figures
