Additional Information

In order to be awarded both degrees, the following requirements apply:

Thesis

Students are required to write a thesis during the second year of their studies. BI students going to WU will have a thesis supervisor at WU.

1. Before students can start writing their 20 ECTS credits thesis, they need to successfully complete the Thesis Seminar "How to Write a Thesis" which provides students with all the necessary information on the thesis writing process.
2. After completing the Thesis Seminar it is up to the students to decide in which area they want to write their thesis. The thesis is supervised and graded by a member of the faculty of WU. Students have to take care of finding a supervisor at WU as soon as possible.
3. The Thesis Defense must be completed at WU after the Master Thesis has been submitted. It is not necessary that students are in Vienna for the Thesis Defense because it will be completed online.

The "Thesis Seminar: How to Write a Thesis" and the "Thesis Defense" are graded with "Pass" or "Fail" at WU.
