

## **ISP cancellation terms and conditions for WU students**

Once you have been nominated for the participation in an International Short Program organized by WU or a partner university, cancellation is possible only in exceptional cases (illness, pregnancy, important family commitments, or unavoidable, unforeseen serious events). Appropriate proof will be required. If you cancel your participation without good cause, you are excluded from further participation in WU exchange programs (exchange semester, ISPs and other partner universities' summer programs WU nominates students to) at your current degree level (bachelor's or master's level).

Students' payments are due within one week of nomination and assignment to the program. In the event that there is a need to cancel a program as a whole, WU will refund the participation fee/expense allowance already paid to WU.

### **Buenos Aires Global Marketing Program 2024**

Student's cancellation by November 30, 2023: The participation fee will be refunded with the exception of a 200 EUR processing fee.
