

Vienna Innovation Program^{WU} 2022

WU (Vienna University of Economics and Business)

Quick Facts

The **Vienna Innovation Program^{WU}** will take place from **May 16-27, 2022** for a group of **master and MBA students** from both international partner institutions and WU, who will jointly attend and work together in this **intensive academic program**.

The course program will be taught by a team from **WU's Institute for Strategy, Technology and Organization** (<https://www.wu.ac.at/en/ifsto>), headed by **Prof. Christopher Lettl**.

The participants will have the opportunity to learn about modern approaches to innovation management and to implement them in **real-life projects**. Students are expected to truly engage within the context of the Vienna Innovation Program^{WU} means to **think and act entrepreneurially** and to proactively contribute to the work in cross-cultural teams.

The program includes **social and cultural activities on-site**, to give students a taste of Austrian culture while providing opportunities for networking and socializing, with the goal of offering both a high quality **academic and intercultural experience** to participants.

Credits

Credits: 5 ECTS credits
Contact hours: 40

Participating students will receive a WU certificate with a grade for this two-week full-time program. The final grade will be based on the group project work and on the students' individual course performance (including pre-assignments and participation in class).
