## Additional Information

In order to be awarded both degrees, the following requirements apply:

Foreign Languages (6 ECTS credits)	Internship (8 ECTS credits)	Thesis (20 ECTS credits)
<p>WU students have to pass two foreign language exams. The two languages will be English (at C1 business level) and Italian (at A2 level), unless Italian is a student's mother tongue.</p> <p>WU students who are Italian native speakers (passport holders) have to choose German, Spanish or French as second foreign language and the chosen language must not be (one of) their mother tongue(s). B1 is the minimum level required, but students can also select a higher level (B2 business or C1 business) if desired.</p>	<p>In order to be awarded both degrees, students are required to complete a full-time internship of at least 10 continuous weeks (paid or unpaid). For part-time internships (20 hours/week), the minimum is 16 continuous weeks.* The internship can be in Italy, Austria, or anywhere else in the world. The Internship has to be fulfilled after the bachelor degree and before the MSc Graduation, preferably in the break between year 1 and year 2. Internships completed between the Bachelor's and Master's studies are acceptable.</p> <p>The internship will have to be formally recognized and approved by the Master of Science (Laurea Magistrale) director at Bocconi.</p> <p>* Due to Covid-19 the minimum duration of internships until 31/12/2021 has been reduced to 8 weeks (full-time) and 11 weeks (part-time).</p>	<p>Students are required to write a thesis during the second year of their studies. All students need a thesis supervisor. WU students going to Bocconi will have a supervisor at Bocconi and where possible a co-supervisor at WU.</p> <p>All students will have to defend their theses at Bocconi at one of the four official graduation sessions available throughout the year (tentatively July, October, December and March).</p>
