*Only applicable to students whose work abroad is aimed exclusively at their bachelor-, master-, doctoral- or diploma thesis.

Please note:

- *The Erasmus+ mobility may be extended according to the number of months available (maximum of twelve months in total per study cycle). The minimum extension period is 15 days.*
- *The extension must immediately follow the mobility period already agreed upon, resulting in one single continuous period.*
- *The application for extension has to be submitted to the sending institution at least 30 calendar days before the end of the mobility period as stated in the Grant Agreement.*
- *Financial support for the extension period can only be granted in accordance with the available funds.*
- *Credit transfer: The entire duration of the mobility is to be taken as the basis for the minimum number of ECTS credits to be transferred.*
- *The Learning Agreement has to be adapted accordingly and signed by all three parties.*
