Student residence halls are located all over Vienna but are not more than 30 minutes away from campus by public transport.</p> <p>Please note that your housing contract is with the OeAD and not with WU. Please be sure that you have carefully read the Terms and Conditions before booking.</p> <p>If you need proof of accommodation for visa purposes, please mention this in your online application with the OeAD.</p> <p>Application deadlines: May 15 for the winter semester / November 15 for the summer semester.</p> <p>If you would like to live in a student residency hall with pre-reserved rooms for WU incoming students, please make sure that you complete your housing application as soon as possible.</p> <p>Information regarding student residences with pre-reserved rooms for WU students, other OeAD residence halls, online application, etc., can be found on our website: https://wu.ac.at/en/programs/incoming-students/exchange-semester/accommodation/</p> <p>A complete list of OeAD student residence halls can be found at: http://housing.oead.at/en/accommodation/wien-en.</p>

Entry regulations EU/EEA countries and Switzerland	<p>Nationals of EU/EEA countries and Switzerland who fulfill certain requirements (sufficient financial means and valid health insurance) do not need a visa and have the right to reside in Austria (<i>Niederlassungsfreiheit</i>). These citizens need only a valid travel document (passport or personal identity card) to enter and live in Austria.</p>
	<p>! Please note: Residence in Austria for more than 3 months requires you to acquire a confirmation of registration (Anmeldebescheinigung). In Vienna, these applications must be submitted to Municipal Department 35 (MA35). This registration is required in addition to your residence registration (Meldezettel). In cases of non-compliance with this regulation, you may be subject to a fine.</p>
□	<p>! For more information and a list of documents needed, please read these details provided by MA35: https://www.wien.gv.at/english/e-government/documents/residence/permanent-leave/confirmation-registration-students.html</p>
Entry and residence regulations for nationals of non-EU countries (third-country nationals) for stays of up to six months	
Entry Regulations Nationals of non-EU countries (third-country nationals) Stays up to six months	<p>Students from non-EU countries (third countries) staying for no longer than 6 months need to check with their local Austrian authority (embassy/consulate general) regarding whether they need to apply for a visa, what kind of visa they potentially need and the conditions relating thereto.</p> <p>A) ! Insurance	
Insurance	<p>EU-citizens need to bring their European Health Insurance Card to show that they have health insurance coverage. A valid European Health Insurance Card means that all treatments deemed medically necessary by medical professionals during their stay in Austria are covered. However, please note that routine medical check-ups and/or screenings are not covered. Please also check with your insurance provider in your home country as to which treatments are covered and how to proceed in case you need to see a doctor abroad. In case your Austrian doctor does not recognize your European Health Insurance Card, point out that you are a European citizen with a valid insurance and are therefore eligible for free treatment as long as it is deemed medically necessary.</p>

	<p>Non-EU-citizens need to have insurance coverage for their whole stay in Vienna. You can either purchase appropriate health insurance coverage in your home country or sign up for a voluntary insurance plan for students (<i>freiwillige Selbstversicherung</i>) in Austria after enrollment at WU. This plan covers medical care in cases of illness or accident, as well as any treatments deemed medically necessary at the cost of approximately € 54 per month. However, you have to be enrolled at an Austrian university to be eligible for this insurance, so we advise you to buy additional travel insurance (e.g. credit card insurance) before coming to Vienna to cover the period until enrollment.</p> <p>The Students' Union dues (ÖH-Beitrag) paid at enrollment (€ 19,20) include accident insurance coverage for your way to and from the university.</p>
