WU WIRTSCHAFTS UNIVERSITÄT WIEN VIENNA UNIVERSITY OF ECONOMICS AND BUSINESS
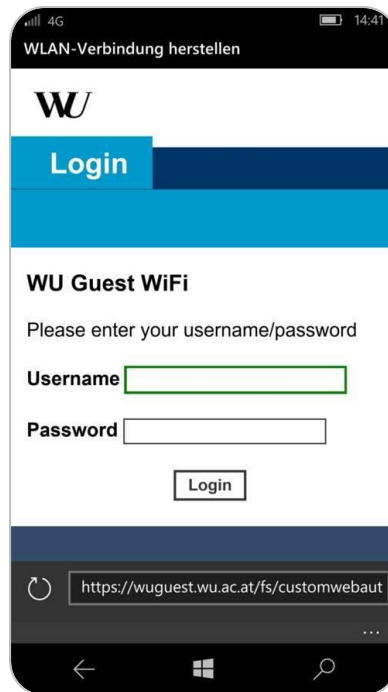

WU-CONFERENCE CONNECTION

Wi-Fi access for guests at WU

Guests at the WU campus can use the Wi-Fi *wu-conference* for the duration of the event attended. You will receive the required access data directly from the event organizers on site.
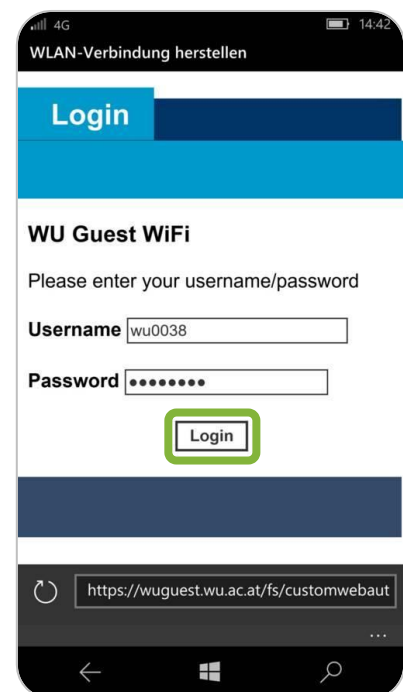

1. Select network

*2. Go to login page
(usually done automatically)*

*3. Enter access data &
Click login*

Please note

- You can **only** log in to *wu-conference* with the login data you received on site. Other login data will not be accepted - e.g. your WU account or eduroam login data.

- When entering the password, pay attention to the upper and lower case. If possible, save the password on your device.

- The access to "wu-conference" is unencrypted, some services may not be available or may be restricted (e.g. VPN connections to company networks).
